

REFER A FAMILY BONUS

The **Refer a Family Bonus** is an excellent way to share Martin Luther School with the Bismarck/Mandan Community. There are two ways that you can earn YOUR **Refer a Family Bonus**.

OPTION #1 – Share contact information about a new family with the school office.

The referring family can help the office with information about the new family (e.g. any questions or specific concerns they might have) that will assist in effective communication.

OPTION #2 – A new family shares with the office the name of the referring family.

Please note that if one family provides the referral, but another family serves as the encouraging channel of communication, then the bonus may be divided between the two current school families. This is at the discretion of the office.

BONUS INFORMATION

The **Refer a Family Bonus** amount is \$100 paid to a current school family for referring a new family that enrolls a student in our preschool or elementary school. The bonus is awarded to the referring family only if the new family maintains enrollment for the entire school year. The referring family's final tuition payment for the year will reflect a \$100 credit
