Enrollment Time! Pre K- Grade 6!

January has slipped past us quickly, and we are half way through February. It is time for us to make plans for the upcoming 2020-2021 school year!

In order to do our best in preparing for the upcoming school year, getting our enrollment numbers solidified is vital. **Please take the time to let us know of your plans for the 2020-2021 to help us be the best stewards in planning for the fall.** I know how easy it is to forget to re-enrolling as the fall seems so far away. Simply go to TADS to re-enroll.

If you are unsure of your plans, or have questions about the upcoming year, I strongly encourage and invite you to share your concerns with me.

In His service,

Denise Wolfgram

Staying inside for recess.

With the chill of winter comes colds and coughs, sniffles and sneezes. While we may hesitate to want to go out in the cold, recess time in the fresh air is actually very important and beneficial for our students. We regularly watch the temps and wind chill temps to sure that we are sending our students out into appropriate conditions.

We understand that there may be medical conditions that recommend avoiding an outdoor recess for your child. If that is the case, **please submit a doctor's note** with that recommendation, and we will honor that. If you have any questions or concerns, feel free to contact the school office. Thank you for your cooperation with this!

Giving Hearts Day

Many thanks to our donors who help us raise just over \$10,000 through the Giving Hearts Day! Your support is greatly appreciated!

Mark your calendars for

Mayfest 2020

*Saturday, May 2nd
Legacy High School!*

SO what IS Mayfest?

Mayfest is our biggest annual fundraiser. It includes a meal, a variety of silent and live auction items up for bid, and a variety of different activities that raise funds to help out our school. The evening is fun, casual, and entertaining! Those in attendance will learn more about Martin Luther School and have the opportunity to support the school in a fun way!

This year we will be at:

Legacy High School
Saturday, May 2nd

WHY WE NEED YOU:

- We need folks to help plan this major event. The more hands we have, the lighter the duties!
- Tasks involve:
 - Acquiring items for the live and silent auction from businesses
 - Help with decorating for the evening
 - Assistance with promoting ticket sales and publicity, just to name a few.
- There is much to do to prepare for this event, it takes many and varied gifts and talents to make this a successful evening.
- (The process is actually a lot of fun!)
- Please join us, we welcome parents of Martin Luther students and interested congregation members!

NEXT PTL MEETING Tuesday, February 25th at 5:15

We will be looking at how we can enhance the **Gateway to Science Family Night**, as well as what to consider as a **gift to donate for Mayfest**.

Free childcare will be provided for the meeting, so come and see what this is all about.

Reading month is right around the corner!!
Get ready to "Blast off into Reading!!!"

March 5th will be our family reading event
