PARENT MEETING! "Case for Christian Education"

**Friday, October 6
3:15-5:00pm**

Many have made the case for Christian education philosophically – but what does statistical research say about the benefits of a K-12 Christian education. Join GraceWorks Founder and President Dan Krause to see the hard research, much of it secular research, on the benefits of a Christian education for:

College prospects

Faith

Character

In addition, Dan will consider the kind of future our children are likely to inherit, and how all of us – parents, teachers, ministers – can best help prepare them for an uncertain future.

For Healthy Christian Schools,
Dan Krause
